

New Website Provides Comprehensive Online Guide to Factoring

Charter Capital expands its Internet presence with the introduction of its redesigned website.

(PRWeb via [PRWeb](#)) May 20, 2007 -- Charter Capital, recognized as one of the most flexible providers of working capital and related financial services to small and mid-sized businesses, announced today it has launched <http://www.CharterCapitalUSA.com>.

The new website project was headed by Mr. Keith Mabe, Director of Operations for Charter Capital. Mr. Mabe has had extensive experience with web development, especially in the area of content based websites. "We, at Charter Capital, feel that the updated layout and increased content will increase awareness of our service offerings," said Mr. Mabe.

Headquartered in Houston, Texas, Charter Capital (<http://www.chartercapitalusa.com>) provides working capital funding via a process commonly referred to as "factoring of accounts receivable", asset-based lending, and cash flow solutions for businesses nation-wide including: freight delivery and transportation, repair, maintenance and inspection service providers, consulting firms, most other service providers, staffing firms, distributors, wholesalers and manufacturers. Charter Capital also serves business in Dallas, TX; San Antonio, TX; Austin, TX; Atlanta, GA; Albuquerque, NM; Phoenix, AZ; Nashville, TN; Indianapolis, IN; Oklahoma City, OK; and cities nationwide.
